Genesis Community Health, Inc.

For equipment to provide dental screenings, fluoride treatment, preventive oral care education, and referrals to low income populations.

Habitat for Humanity of Palm Beach County

For a home in The Historic Northwest District as part of the effort to replace sub-standard housing with high-quality homes for stable low-income residents.

HomeSafe

For updates at the Lake Worth campus and group home, which provides a safe environment for girls to heal from trauma related to abuse, neglect, and abandonment.

Jack The Bike Man, Inc.

For the mobile bike repair trailer.

Jeff Industries, Inc.

For facilities upgrades to improve the comfort and safety of clients with chronic mental illnesses.

Kids Cancer Foundation, Inc.

For program materials to help provide hope and supportive care services to local children and their families battling cancer and/or serious blood disorders.

Legal Aid Society of Palm Beach County, Inc.

This request seeks funding to create and disseminate 800 "Know Your Rights" toolkits for parents and caregivers of at-risk K-12 public school students.

The Lord's Place

For client computers and software at the Café Joshua Job Training and Employment Center, the Men's Campus and the Family Campus.

Mental Health Association of Palm Beach County, Inc.

For upgraded technology to improve the mental health screening and referral process.

MyClinic, Inc.

For a facility to provide quality healthcare services for low-income, uninsured and underserved residents.

Our Sister's Place, Inc.

For facility updates at the Advocacy and Outreach Center, which is committed to helping, healing, educating and ending domestic violence in our community.

Palm Beach County Food Bank

For facility needs and to expand the refrigeration capacity of client agencies.

Palm Beach Habilitation Center

For the installation of energy efficient roofing for the main campus buildings, which provide a learning environment for adults with disabilities.

Palm Beach School for Autism

To provide shade on the playground so students with autism spectrum disorder can experience outdoor social interaction year-round.

Pediatric Oncology Support Team, Inc. (POST)

For the Play Therapy Center, to help children fighting cancer process their emotions about battling life threatening illness and painful procedures.

People Engaged in Active Community Efforts

To expand opportunities to engage residents of the Glades area in civic engagement around county-wide community issues.

Place of Hope, Inc.

For the Lane Outreach Center, a regional headquarter, social enterprise and recruitment and training center for foster families.

Renewal Coalition

For expanded retreat services to assist wounded service members and their families in their transition from military to civilian life or back to active duty.

Seagull Services

For facility improvements at Seagull Place, in Riviera Beach, which is an assisted living facility for adults with developmental disabilities.

Society of St. Vincent DePaul, Palm Beach District Council

For the Temporary Emergency Cash Program which provides emergency financial assistance to individuals or families, helping them through a temporary crisis.

Stem HQ, Inc.

To provide equipment and technology for the educational robotics programs at Westgate Community Center, which engage at-risk youth in building STEM skills

Street Beat, Inc.

For capital improvements at the educational complex which provides an arts-based approach to learning and living for at-risk youth.

Sunset House Inc.

For facility updates to continue to provide a safe, stable, structured transitional environment for men choosing to live a sober and productive lifestyle.

The Triangle Club Inc.

For a fire detection system to help provide a safe environment for recovering individuals and their families.

Urban Growers Community Economic Development Corporation (CEDC)

For improvements at the Henrietta Bridge Farm Project, a community garden which manages a produce stand and donates surplus produce to local agencies.

Urban League of Palm Beach County

To provide laptop computers to graduating seniors meeting program criteria that are accepted and attending college following high school.

Vita Nova, Inc.

For The Spot, the first drop in center for homeless youth, ages 16-24, in Palm Beach County.

Vital Flight, Inc.

To provide air transportation for individuals and their families with compassionate, medical or humanitarian needs.

West Jupiter Community Group, Inc.

To continue with the upgrades at the center by purchasing large custom storage cabinets and other necessary equipment.

Women's Circle, Inc.

A matching grant for the building expansion to increase programs which empower underserved women to overcome barriers to employment and self-sufficiency.

YMCA of the Treasure Coast

For the Indiantown Summer Camp, which provides access to a safe and nurturing environment for youth in the community.

Youth Recreation Association

For the girls basketball program which aims to provide youth with a safe activity that will help build self-awareness and encourage their success.

YWCA of Palm Beach County

For facility improvements at the West Palm Beach Child Development Center.
